WASHINGTON, D.C. 20579

Claim No. CU -5251

Decision No. CU 4276

Under the International Claims Settlement  
Act of 1949, as amended

Represented by Cia. Azucarera Vertientes-Camaguey de Cuba

Counsel for Cia. Azucarera Vertientes-Camaguey de Cuba:

PROPOSED DECISION

This claim against the Government of Cuba, filed under Title V of the International Claims Settlement Act of 1949, as amended, was presented by Vertientes Camaguey Sugar Company on behalf of H. IVAN BROWN and is based upon the asserted loss of 900 shares of Vertientes stock. Claimant states that he has been a national of the United States since birth.

Under Title V of the International Claims Settlement Act of 1949 [78 Stat. 1110 (1964) 22 U.S.C. §§1643-1643k (1964), as amended, 79 Stat. 988 (1965)], the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right, or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 504 of the Act provides, as to ownership of claims, that

(a) A claim shall not be considered under section 503(a) of this title unless the property on which the claim was based was owned wholly or partially, directly or indirectly by a national of the United States on the date of the loss and if considered shall be considered only to the extent the claim has been held by one or more nationals of the United States continuously thereafter until the date of filing with the Commission.

The Regulations of the Commission provide:

The claimant shall be the moving party and shall have the burden of proof on all issues involved in the determination of his claim. (FCSC Reg., 45 C.F.R. §531.6(d) (Supp. 1967).)

H. IVAN BROWN through Vertientes Camaguey Sugar Company has asserted claim for losses based on 900 shares of Vertientes stock. By Commission letters of March 15, 1968 and July 26, 1968, claimant was advised, through counsel, to submit evidence that he was a national of the United States.

On May 5, 1969, counsel was invited to submit the evidence suggested within 45 days from that date, and he was informed, that, absent such evidence, it might become necessary to determine the claim on the basis of the existing record. The particular evidence has not been submitted.

CU-5251

The Commission finds that claimant has not met the burden of proof in that he has failed to establish his United States nationality at all pertinent times under the Act. Thus, the Commission is constrained to deny this claim and it is hereby denied. The Commission deems it unnecessary to make determinations with respect to other elements of the claim.
